The place Ducale is the main Place in Charleville. It's the same of the Place des Vosges in Paris, the makers were brothers.

There is always a carousel and ice cream, waffles and pancakes trucks.

This summer, there was the first beach in town "Plage Ducale".

In the Christmas Market, there is a rink and the usual thing we sell in Christmas: Snowball, Mug, and Chocolate ... There are a lot of people but everyone comes for the rink to see Santa Claus.
